That the footpath along the road from Maynooth Park to Laurence Avenue, on the Greenfield Supermarket side, be repaired, as it is in a terrible state as a result of lorries parking on the path and that bollards be erected to stop the lorries from parking there in future.

6. **Councillor O'Rourke**

That the council remove the four large 'slow' ramp signs in the middle of Celbridge before the pedestrian lights (two on both approaches) as they are completely out of place and character.

7. **Councillor O'Rourke**

That the council carry out a traffic survey on the Hazelhatch Road between Hazelhatch Park and the entrance to the national school and the GAA.

8. **Councillor Purcell**

That this committee reviews the parking bye laws for Leixlip.
