GUIDELINES

The relevant sponsoring Internal Department shall engage with the Planning Department in respect of the proposed development through Pre-Part 8 consultation(s) to ensure:

(a) The proposed development comes within the scope of the prescribed classes of development in Article 80 of the planning & Development Regulations 2001 (as amended), for the purposes of Section 179 of the Planning and Development Act 2000 (as amended).

(b) The proposed development is in accordance with the policies and objectives of the County Development Plan or relevant Local Area Plan, as required under Section 178 of the Planning and Development Act 2000 (as amended).

(c) The siting and design of the proposed development is acceptable.

(d) The Part 8 maps, plans, elevations and related particulars are in accordance with Article 83 of the Planning and Development Regulations 2001 (as amended).

(e) The site notice and newspaper notices are in accordance with Article 81 of the planning and Development Regulations 2001 (as amended). List of approved newspapers should be sought from the Planning Department.

(f) The proposed development is screened in relation to EIA, AA and Flood Risk.

(g) The proposed development is referred for the attention and response of all Council internal departments. Any revisions/amendments and/or additional documentation required by internal departments shall be incorporated into the final plans and particulars prior to the Part 8 being placed on public display.

(h) The proposed development is referred for the attention and response of all relevant prescribed bodies, in accordance with Article 82 of the Planning & Development Regulations 2001 (as amended).

(i) Any submissions or observations received during the public display period are forwarded for the attention and response of the proposed internal department responsible for preparing the part 8 application. The proposing internal department shall prepare a report responding to the submissions or observations received from internal departments prescribed bodies, and members of the public.

(j) All Part 8 documentation is available to the Planning Department from the date stated in the public notices.

(k) The part 8 application and all plans, particulars and documentation for the proposed development are to be sent to the Administrative officer in the Planning Department. This is necessary so that the Part 8 can be filed, given a unique reference number, and mapped by the Drawing office on GIS.

NOTE

The proposing internal department shall be responsible for:
- Preparing a report responding to submission or observations received from prescribed bodies and members of the public;
- Listing the Part 8 on the agenda of the relevant Council/Municipal District meeting;
- Circulating all Part 8 documentation to elected members prior to the Council/Municipal
District Meeting

- Presenting Chief Executive's Report to Members at Council/Municipal District.
