

*Do you or did you previously own a property that is not your main residence during the period from 2009 to 2013?*

You may have a liability in respect of the Non-Principal Private Residence charge which applied in the years 2009 to 2013

Non-compliant owners should take advantage of the period from now until 31st August 2014 to regularise their situation. By taking action before 31st August 2014 you can avoid incurring additional late payment charges.
