

ROAD DEATHS IN KILDARE FALL BY 95%* from 2007 to 2012....

Well done...

- for sticking to our Road Safety Plan
- for becoming a safer road user
- for helping to reduce road deaths and serious injuries
- for continuing to support road safety in your community

So, from all of us, to all of you... *Thank You!*

*A recent report published by The Road Safety Authority on the road safety performance of each county in Ireland during the last Government Road Safety Strategy 2007 to 2012 revealed that County Kildare achieved the **THIRD** biggest reduction in road fatalities during this period with a **95% reduction in road fatalities and serious injury.***
