**Here are just some things which can help you stay safe on the road.**

- Pedestrians: Be alert and visible, and only cross a road when it is safe to do so.
- Cyclists: Wear a helmet, be visible and give early signals to other road users.
- Passengers: Always wear a seatbelt, front and rear, and never distract the driver.
- Motorcyclists: Be visible, wear appropriate protective gear and obey the speed limits.
- Drivers: Always wear your seatbelt, obey the speed limits, never EVER drive under the influence of alcohol or illegal drugs and never use a mobile phone while driving.

***Road Safety is everyone's responsibility.  
Together, let's stop the carnage.***
