

If hit by a car travelling at 60 km/h - **9 in 10** people will **DIE**,
or put another way, if hit by a car travelling at 60 km/h -
only 1 in 10 will survive...but **not** without severe injuries

THE FASTER THE SPEED
THE BIGGER THE MESS

When you take to the roads - **REMEMBER!**
Slow Down - Belt Up - Drive Sober
