

Platinum Clubhouse Awards Presentation Day

Platinum Clubhouse held their Annual Awards Presentations for 2009 on Friday, January 15th last.

This is our opportunity to recognise and congratulate all our members who have achieved and completed courses throughout the year. All in all, between our members and staff – we had 88 Certificates to hand out which was a tremendous achievement for our clubhouse.

The Awards was well attended by many clubhouse members, advisory board members, local politicians and family members along with representatives of Senior Mgmt from Eve Ltd. Also present, were the majority of Tutors & Facilitators involved in the successful delivery of the educational courses.

We hope that 2010 will be another great year for all our members to achieve their own personal goals. Platinum will continue to offer and encourage all our members to attend and participate in Education on an on-going basis.

Pancakes with Maple Syrup

Ingredients

- 150g self-raising flour
- 2 tbsp caster sugar
- 1 **Eggs**, beaten lightly
- 150ml **Milk**

Heat a heavy-based frying pan and turn the heat down to medium low. Add 25g butter, and when melted, drop tablespoonfuls of the mixture into the pan and cook for about two minutes, until bubbles appear on the surface.

Turn the pancakes over and cook until they feel firm in the centre and the undersides are golden.

Method

Sieve the flour into a mixing bowl, add the sugar and make a well in the centre. Whisk the egg and milk until blended and stir into the flour.

Repeat with the rest of the mixture. Serve straight from the pan with crisp bacon rashers and a good drizzle of maple syrup.

SLUM DOG MILLIONAIRE - REVIEW

I got the opportunity to see the film Slum Dog Millionaire on Channel 4 recently. I had high expectations because this particular film had been nominated and selected for eight Oscars. It was based on this young teenager who was being interrogated after supposedly cheating in order to win the jackpot on the Indian version of "Who wants to be a Millionaire?"

His life story up to this point was told in flashback and it was quite difficult to follow. He grew up more or less as an orphan and had a difficult childhood as a result of this. The film was quite violent at times but I thought it was well directed and produced.
