Re: Proposed Material Alterations to the Draft Leixlip Local Area Plan (2020 – 2026)

Dear Sirs,

Irish Water (IW) acknowledges receipt of your correspondence dated Oct 4th, regarding proposed Material Alterations to the draft LAP for Leixlip.

- Proposed Material Alteration No. 36

Irish Water welcomes the inclusion of this text relating to the National Water Resources Plan

- Proposed Material Alteration No. 56 Confey Masterplan

Water and Wastewater requirements are mentioned as part of the masterplan. However, we would like to indicate that substantial works will be required in this area that do not form part of IW's Capital Investment Programme. Works in this area would therefore be developer driven.

Yours Sincerely,

Niamh McDonald
Forward Planning (East and Midlands Region)
