Leixlip Castle Demense celebrates 847 years. In the Leixlip Development Plan, under section record of Protected Structures, 18 of these structures form part of Leixlip Castle Demesne. In order to protect the heritage of Leixlip, KDA 1 should be zoned parkland and recreation, not for housing. All throughout your proposals for the new LAP, you constantly promote Leixlip as a tourist spot, parks for children, animals, walkers, cyclists etc. but yet you continue to destroy every bit of land. The Living Planet Report 2018 shows how wildlife has declined by 60 percent in 40 years, with 'exploding' human consumption. Increased energy, land and water usage are blamed for the 'unprecedented planetary change'. You cannot build LAND. Once it's gone, it's gone.
