19/1216 Classification of Housing Units

It was resolved that the following motion in the name of Councillor Lynch be referred to the Housing Strategic Policy Committee:

In relation to the National Oversight and audit Commission (NOAC) report published last month, were NOAC aware that KCC hold separate “vacant” and “idle/derelict/void” housing lists as we have now been made aware of and if so were these houses included in the published figures last month and if so why do KCC furnish NOAC with one list and councillors another for these houses? If these homes were not included on the list to NOAC does KCC deem this acceptable? In relation to this that Kildare County council provides councillors with a full list of all categories of houses (vacant, void, fire-damaged etc.) that are unoccupied and in the ownership of this council.

17/1216 Scheme for Security Locks

It was resolved that the following motion in the name of Councillor Kelly be referred to the Housing Strategic Policy Committee:

That this council consider piloting a scheme to provide free high security locks for elderly vulnerable people in our county who are living alone in privately owned accommodation.
